My family has been in the photography business since 1946. The family name has been credited on the back of photographs since then. It is very important to me that the quality of my work is represented in the professionally processed prints I send to you. All images are edited, color balanced and cropped by me prior to processing.

I do not use 'fake and over the top' enhancements.

### **Additional:**

JPEGS Purchase edited JPEGs for 375.00 with permission to print

VIDEO My assistant can provide a 'storyteller' video of your wedding.
