

# FAMILY PHOTO SESSION ON MARCO ISLAND

BY FRANK SIMONETTI

"TWENTY FIVE YEARS PHOTOGRAPHING JOY ON THE BEACHES OF FLORIDA"

Sitting fee for one family.....600 USD

Fee includes 75 4x6 edited color prints of the best of what we capture. Fifteen additional images will be made into BW 4x6 prints. My paper prints are printed on professional paper by my professional lab. The quality is superior to website printers. They are mailed to you in 2 weeks in a 4x6 cardboard box for safekeeping. The edited images are also included as JPEGs on a flash-drive with permission to make your own prints.

For additional related families please add 50.00 per family-this provides individual photos for that family. Grandparents are part of the initial family.

**SPECIAL 550 USD**

If you do not want paper prints, the fee for the edited JPEGs is 550 USD. The edited 90 color images will be uploaded through Google Drive to your email for downloading to your computer or your flash-drive.
