"TWENTY FIVE YEARS PHOTOGRAPHING JOY ON THE BEACHES OF FLORIDA"

Sitting fee for one family.....550 USD

Fee includes 75 4x6 edited color prints of the best of what we capture. Fifteen additional images will be made into BW 4x6 prints. My paper prints are made on professional paper by a professional lab. The quality is superior to website printers. They are mailed to you in 2 weeks in a 4x6 cardboard box for safekeeping. The edited JPEGs are also included and sent to you via Google Drive for you to save on your computer and flash-drive.

For additional related families please add 35.00 per family-this provides individual photos for that family. Grandparents are part of the initial family.

### SPECIAL

If you do not want paper prints, the fee for the edited JPEGs is 500 USD. The edited 90 color images will be uploaded through Google Drive to you for downloading to your computer and your flash-drive.
