

# PORTRAITS ON THE BEACH

BY FRANK SIMONETTI

"TWENTY FIVE YEARS PHOTOGRAPHING JOY ON THE BEACHES OF FLORIDA"

## Family Photo Session 550 USD

An hour or so photographing your family including tropical landscapes as a background and fun beach photos leading to sunset. I do not make 'mini sessions'. My experience indicates it takes at least 20 minutes before people are comfortable in front of a camera.

You will receive 75 edited JPEGs from the images that we capture. I do add \$35.00 for additional related families. Grandparents are included in the original family fee.

Add 125.00 for actual 4x6 prints of the 75 edited JPEGs. The prints are mailed to you in a 4x6 print box for safekeeping.
